Hartford, CT 06103

**Job Title:** Public Health Intern

**Status:** 20 hrs/wk

**Duration:** January – May, 2008

**Location:** Hartford, CT

**Description:** Intern will coordinate research and writing of Community Profile for Susan G Komen CT. Community Profile will assess areas of need and disparities in breast cancer incidence, mortality, late-stage diagnosis and screening rates in the State of Connecticut. Intern will work as part of the Komen Education committee to develop Community Profile, which will guide Komen grant allocations.

Duties include:

- Data analysis
- Development, administration and analysis of surveys, focus groups, key informant interviews, and asset mapping.
- Write, with collaboration from Education committee, final Community Profile report.

**Education:** Currently pursuing Masters or PhD in Public Health or related field.
